

MIGROS Kulturprozent
Zürich 8004 Switzerland

I have long been familiar with the work of Peter Schreiner film producer. His film, commemorating the history of the Jews of Komarom (a city on the border of Hungary and Slovakia that used to have a significant Jewish community), is an important project that would make a valuable historical contribution.

I wholeheartedly recommend that the project continue to be supported.

Respectfully,

Prof. Dr. Szita Szabolcs
Director
Holocaust Documentation and Research Center
Budapest
